

BOOT CAMP!

The VBL's Drill Advisory Board is very pleased to present the inaugural Drum Majors BOOT CAMP...

...or how to make your Drum Major spiffy!

This event is all about training in the art of being a Drum Major and designed to achieve a major improvement in the standard of marching in Victoria.

We would welcome anyone who is either currently a Drum Major or aspires to lead a band on parade. It would be great if every band in Victoria sent a representative. If your Drum Major is unavailable to attend, each band to send someone along to take notes and be able to communicate what they have learned back to the band's Drum Major and band.

The day is not only for brass bands. Many of our affiliated bands are concert bands who regularly participate in parades. Experienced drill instructors will be in attendance and assisting individuals.

Some of the items to be covered on the day will include:

- Basics of marching
- How to train a band
- Own choice drill movements - entertainment
- Discussion on rules and regulations
- Questions and answers
- Opportunity to have specific matters addressed

Where: Moonee Valley Band Room
Bradshaw Street, Essendon
(Melways Ref: Map 28, B4 – enter from Buckley Street)
